- **What are kids doing online** – there are the popular social networking sites such as Facebook, Instagram, Snapchat but do you know about Omegle, Musical.ly, Yubo or Melon.
- **Online Grooming** – What is it and when/how does it occur? What are the warning signs & what to do if you suspect this is happening to your child.
- **Cyberbullying** - What it is, where it happens, what it looks like, how to prevent and what to do if it occurs. Also the legal consequences and the possible criminal charges.

- **Potential dangers and safety tips** – how to assist the children in your care to stay safe online via parental controls and restriction passcodes.
