#### YR 9 SYNERGY PROGRAM

Synergy is a ten week program for Year 9 students.

The focus of the program is the development of key skills such as team work, research, presentations to the public, and work based skills.

Students are immersed in the culture, history and beauty of the City of Melbourne.

Weekly excursions develop independence in navigating the city and all its treasure.

All students complete a certificate of barista training and certificate of food handling as a part of the program.

The student directed inquiry learning projects, culminate in a conference style presentation and demonstration evening for parents and invited guests.
